BAND  TOGETHER

United Way
of the Greater Triangle

2023 Impact Partners

These 20 nonprofit partners serve the entire spectrum of housing needs: they provide long-term housing, short-term housing, rental assistance, emergency shelter, utility assistance, home renovations, neighborhood preservation, shelter for survivors of violence, and even stable housing for young adults aging out of foster care.

Here are the 2023 nonprofit impact partners:

Band Together + United Way of the Greater Triangle

United to support housing accessibility in the Triangle through the power of live music and philanthropy

For four years, Band Together and United Way of the Greater Triangle have been working together to tackle the Triangle's toughest challenges. With support from individual donors and corporate sponsors, the two organizations have raised nearly \$3 million and supported thousands of our neighbors in need. This year will be no different.

Affordable housing is still a critical need for Triangle residents. That's why the 2023 Mighty Giveback benefit concert will continue to support Triangle nonprofits focused on housing accessibility. Home is a foundation. Having a safe and affordable home frees up time that families can use to support their children's education,

ensure they have enough healthy food to eat every day, and begin building toward a life of social mobility. As the cost of housing continues to rise for everyone, we know we must act so that our neighbors most in need *now* have the greatest chance of thriving in the *future*.

We cannot do it without you. Please join us in raising more than \$1 million this year to support 20 local nonprofits who are making sure Triangle residents and families have a safe place to live and thrive.

“The support we received from the Band Together and United Way event was huge for us. As a small nonprofit, it's tough figuring out how to create the impact we know we're capable of with our limited resources. This was one of our biggest sources of funding, and it has increased our capacity to help people preserve their homes and neighborhoods through our repair and renovation work. Our safe and happy senior clients are proof that this partnership is truly moving the needle on affordable housing.”

Become a Supporter

Band Together and United Way of the Greater Triangle are again teaming up to connect the community to nonprofits through the power of live music.

The Mighty Giveback is the Southeast's largest benefit concert, powered by a dedicated network of volunteers, donors, sponsors and nonprofit organizations. By supporting, you're joining us to ensure Triangle residents have a safe place to live and thrive.

Oct. 7th Sponsor Experience includes:

- Private VIP area
- Premier viewing area
- Fabulous dinner offerings by area chefs and food trucks
- Craft and domestic beer and wine
- Spirits from Social House Vodka and Cook's Mill Whiskey
- Silent auction and live art
- Games and activities
- Branded gifts

JASON ISBELL AND THE 400 UNIT

WITH SPECIAL GUESTS

Jason Isbell, the four-time Grammy Award winning singer-songwriter from Alabama, got his start playing with Drive-by Truckers. After releasing his debut solo album in 2007, Isbell joined forces with The 400 Unit, who've earned a place in the rock 'n' roll cosmos alongside the greatest backing ensembles, as powerful and essential to the storytelling as The E Street Band or the Wailers.

“Jason Isbell is the best lyric writer of my generation. He lives at a level where even great writers can only visit.”
-John Mayer
